Our strength lies in innovative, flexible policies to give trusted protection against unforeseen circumstances. Whatever the weather, we offer the most appropriate contingency solutions on the market. With a wealth of experience in all contingency classes, we raise the bar for all aspects of risk.

Our spectrum of contingency products include:

- Event Cancellation – protection against financial loss following disruption to an event
- Prize Indemnity – precision calculations for mathematical and non-mathematical games promotions, lotteries, hole-in-one and even gameshows
- Non-Appearance – safeguard against crucial artists being unable to perform

- Film/TV – cover provides confidence that budgets, stars, sets and locations are protected during the production of commercials, TV shows & film productions
- Over Redemption – protection against unmanageable cost during a promotion

In addition, we have original solutions to cover sports professionals, entertainers and executives against career ending or temporary injuries.

We can adapt to suit your needs with multi-year policies, worldwide scope of cover and delegated underwriting solutions available.

Should the worst happen our dedicated and experienced claims team will act quickly and efficiently to give you the fairest possible outcome.

Specialists in our field, we are constantly scouting for new business opportunities and welcome challenges. We endeavour to build long, happy, productive business relationships. Combining enthusiasm and experience with attention to detail, we pride ourselves in possessing the knowledge and expertise to create effective solutions for every client.
